Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for replacing the South County Line Road bridge in Martin County, Florida in fiscal year 2024. The entity to receive funding for this project is Martin County, located at 2401 SE Monterey Road, Stuart, FL 34996. The funding would be used for replacing an aging bridge to improve the county's infrastructure, resulting in better navigability and reduced congestion. The project is an appropriate use of taxpayer funds because it would be a direct reinvestment into this community on a shovel-ready project.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian Mast  
Member of Congress
