Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for dredging of the Intracoastal Waterway in fiscal year 2023. The entity to receive funding for this project is the Florida Inland Navigation District, located at 1314 Marcinski Road, Jupiter, FL 33477. Allocating this funding will be for the maintenance dredging of the Crossroads area in Martin County, which is the important confluence of the cross-state navigation channel known as the Okeechobee Waterway, the north-south travel corridor known as the Intracoastal Waterway, and the open ocean access known as the St. Lucie Inlet. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brian Mast
Member of Congress
