Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$9,200,000 in funding for the Fort Pierce Utility Authority in Fiscal Year 2027. The entity to receive funding for this project is the Fort Pierce Utility Authority Jacksonville District located at 206 South 6th Street Fort Pierce, FL 34950. The funding this project will rehabilitate approximately 35 miles (185,636 linear feet) of aging gravity sewer mains using trenchless pipe lining methods, including Fold-and-Form (F&F) and Cured-In-Place Pipe (CIPP) throughout the City of Fort Pierce – a coastal community situated directly on the environmentally sensitive Indian River Lagoon.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian J. Mast
Member of Congress
