Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the acquisition of a mobile command center for the Martin County Sheriff's Office in fiscal year 2027. The entity to receive funding for this project is Martin County, located at 800 SE Monterey Road, Stuart, FL 34994.

The funding would be used to design and deploy a purpose-built mobile command center to support on-scene investigations and multi-agency operations. This project is an appropriate use of taxpayer funds because it will significantly enhance coordination, communication, and command capabilities during complex and high-risk incidents. The mobile command center will provide a secure, self-contained operational platform equipped with integrated communications systems, real-time intelligence capabilities, and workspace for multi-agency personnel, enabling improved situational awareness and more efficient incident management.

The project has a Federal nexus because the funding provided is for purposes authorized under section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian J. Mast
Member of Congress
